Dear Practice Member and Chiropractic Friend,

This letter is sent to you with a two-fold purpose. First, I want to professionally and personally thank each of you for your dedication to the chiropractic model for optimal function of the nerve system. You have understood that correction of the vertebral subluxations and balance of the meninges is important for optimal expression of function and health. I applaud you for embracing this as part of your healthy lifestyle. It has been a great honor to serve you and your families over the past twenty years. You are all a part of a great chiropractic family.

Second, I need to inform you of an important change at this time. I will be taking a leave from my practice of chiropractic, effective August 16, 2003. Due to a legal challenge at this time regarding the care of one patient and my scope of practice, my chiropractic license has been revoked for the next five years. With the same occurrence I also face a criminal charge of mail fraud by the U.S. Government. This carries the penalty of incarceration. My sentencing will take place with the Honorable Judge Christopher C. Conner in Harrisburg, PA within the next few months.

My sincere hope and recommendation is that each of you continue with the "process" of balance with your chiropractic care. Life Expression Chiropractic Center will only continue because of your continued commitment to wellness care with your chiropractic adjustments. Dr. Rowena de Jesus, Dr. Maria Storti, and other chiropractors will serve you well with your chiropractic adjustments. Our mission will always be to serve you with quality chiropractic care for you and your families. It is important that you continue with your chiropractic care for best Life Expression!

**I also ask for your support at this time.** I ask you and each member of your family, if applicable, to write a personal letter to the judge, Honorable Christopher C. Conner. Please explain your chiropractic experience and ask for his leniency in his decision with my sentence. I ask that each child, if possible, also write of their chiropractic experience and what they have learned regarding their chiropractic adjustments. Speak from your heart of your chiropractic story and the chiropractic objectives that you have learned.

Write your original letter addressed to: **Honorable Christopher C. Conner**  
Federal Building  
Harrisburg, PA 17108

Please make one copy of your original. **Please send the original to Attorney Matthew R. Gover. The copy should be mailed to Attorney James S. Turner.** I have enclosed the appropriate envelopes for your convenience. **Please mail your letters by July 28, 2003.** If you would like to appear with your support for the sentencing, please call the office and we will keep you apprised of the time and details. Your presence would also be very important.

With all my heart, I am thankful for the blessing you and your families have been for the past twenty years. I thank you for the honor and joy to have shared in your lives. I am richly blessed to have been your chiropractor. May God continue to richly bless you.

Yours in Chiropractic,

Joanne M. Gallagher, D.C.

**P.S. If your next chiropractic appointment is scheduled after August 16, 2003, you will be scheduled with Dr. Rowena or Dr. Maria. Please call the office at 570-708-2228 if you have any questions or would like to change the time of your appointment.**

Dear Friend in Chiropractic,

Hello! I want to congratulate you on the wonder that you are! I feel honored and privileged to know you as a chiropractic patient and supporting friend. I am sending this letter with the information regarding my court appointment with the U.S. Government. As you are aware, I have been issued a charge with one count of mail fraud. This carries the potential of incarceration and monetary fines.

In my appearance before the Honorable Christopher Conner, I know he will come to understand the importance of chiropractic care as part of a healthy lifestyle through you as chiropractic patients. He received 600+ letters from you explaining your chiropractic experience. Your support was an extraordinary written testimony. Now the best show of support would be a physical testimony at my court appointment. The most important way you can help me is to join along with hundreds of extra-ordinary people such as you and your families.

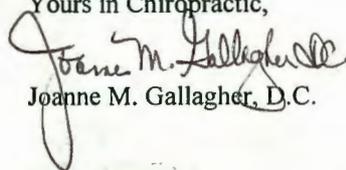

You had expressed support and the desire to be contacted with the date and specifics. I am honored by your support! Counsel has told me that the potential date will be scheduled at the end of January, 2004. The date could be set within a two-week notice. To help with planning your trip ahead of time, I have enclosed directions and lodging information. We will meet at the Federal Building in Harrisburg, PA.

**So that I can contact you as soon as possible with the date, I ask that you forward your e-mail address to me at [drjoanne@lifeexpressionchiro.com](mailto:drjoanne@lifeexpressionchiro.com) If you wish to be contacted by phone, please call the office at 570-708-2228 with your current phone number. Please send contact within the next week.**

At this Blessed time of Christmas, I ask you to pray for the families, counsel and the Honorable Christopher Conner. May the peace and the reason of this season bless everyone and may the Holy Spirit continue to inspire those in authority.

I thank you for your extraordinary support. I am thankful for the blessing to have served as your chiropractor. I pray for that honor once again. May you and your family have a Blessed Christmas and a healthy and prosperous New Year.

Yours in Chiropractic,

  
Joanne M. Gallagher, D.C.
